

BUS WAIVER FORM

Before your child can travel on the free ignite shuttle bus we require this form to be signed and returned to Youth Pastor Todd Murray at Grace Church.

I/We give full permission for my son/daughter..... to travel to and from ignite youth church on the free shuttle bus provided by the church.

I/We and my/our child/children realise that the church is not responsible for their actions once on the bus and after the bus has dropped them off at their desired let off point.

I/We my/our child/children give permission to the bus driver and ignite leader to maintain order on the bus and understand action may be taken against my/our child/children if in the event they become resistant to authority and what is asked of them. This action may mean removal from the bus. In that case we will endeavour to inform you by phone but do not guarantee contact will be made with you before taking that action.

I/We my/our child/children will not hold Grace Church or any of its leaders accountable for any loss of property, personal harm or other abuse they may suffer while traveling on the bus or between the bus stop and our house.

I/We my/our child/children understand that if they leaves the bus at another bus stop other than their usual stop the bus driver or ignite leaders are not responsible for their decision.
